

Product Specifications

Textured Sandstone

Himalayan Sandstone

Himalayan Sandstone

Himalayan Sandstone, a superb texture stone, is a beautiful and versatile product that adds a feeling of warmth and timeless elegance to compliment or feature any design.

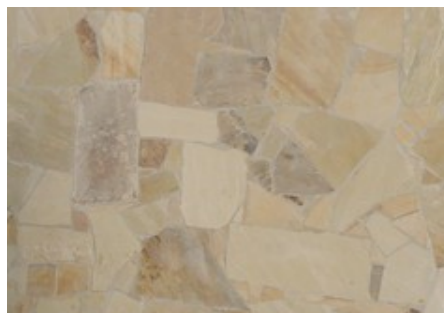

The subtle colour variances ensure that this product looks stunning in any application.

Perfect for the Australian environment it offers warm, neutral colours that stay cooler in the heat of summer.

Return to Mother Nature with our long-lasting Himalayan Sandstone sandstone and add an unmistakable sense of style and warmth to your decor - just as nature intended.

Available in Natural, Honed and Sandblasted, Himalayan Sandstone offers the perfect finish for any application internally or externally.
